8 1/2" unfinished,
8" finished

Block A is cut at 3 1/2 X 5 1/2"

Block B is a 3 1/2" square

Block C is a 1 1/2" square

Block D is 1 1/2 by 2 1/2 "

Block E is 1 1/2 by 3 1/2 "

Block F is 1 1/2 by 4 1/2 "

Block G is 1 1/2 by 5 1/2 "

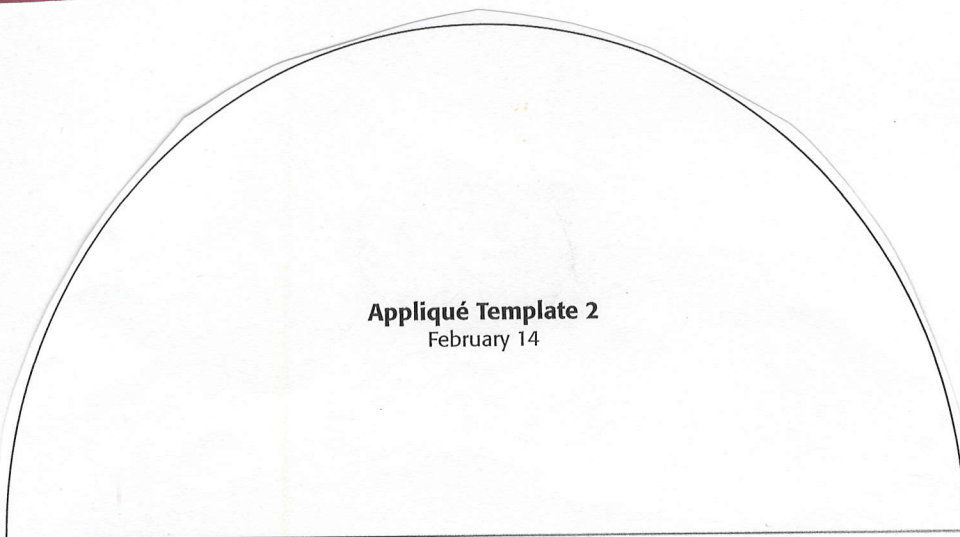

Block H is Appliqued using the Template on the bottom of the page and fused with the straight edge centered on the bottom of Block A. The block on bottom right is another A/H applique block set.

I used four prints, two solids and one neutral fabric.

You could make every row with a different print and color scheme.

A and B blocks should be neutral.

Sew the 1 1/2 inch blocks together first, following the diagram above. Trim as needed to 5 1/2 inches then tackle making the applique. If sewing by hand cut the template out with an additional 1/4 " seam allowance, otherwise cut out on t If sewing by hand cut the template out with a 1/4" seam allowance all the way for turning under if needed, otherwise just cut on the the lines and fuse centered on the bottom of A block and sew down

with whatever stitch you prefer. Next attach it to the appliqued block to the top of the 5 1/2 block created by sewing together the 1 1/2" strips. Next you attached the 3 1/2 inch square to the second A/H applique block at the top side of the applique and then attach the newly created piece to the side of the applique topped 5 1/2 inch striped square. I used four different fabrics for the 1 1/2 inch strips. One strip of 1 1/2 by 18 inches per color will give you one of each size strips. I used four different fabrics for the 1 1/2 inch strips but you don't use all the different sizes for each color. The 3 1/2 inch blocks are out of the neutral and applique fabrics.
