Wow, what an inspiring quilter Diane Goldsmith Harger was! I loved how she combined many techniques in one quilt. We all had fun creating folded flowers in her class. I feel that there are many things she could show us. She also joined our Guild!

I also want to thank all the ladies who brought our goodies, providing us with a lunch before our class! Yummy!

Now that the Quilt Show is getting closer we are all probably starting to realize just how much we have yet to do. I know I am feeling swamped with things I need to do. Remember it takes a village to put it on, we all need to pitch in and help. We can't afford to sit back now! I know we can do it! We will have a table for theme basket items at the August meeting.

According to her latest newsletter she now has designs for and embroidery as well as machine. Robin recently published a book "Just Be Clause 24 Jolly Holiday embroideries".

Saturday, September 9th:

Our good friend **Colleen Granger from Sew Little Time** will be talking to us about Quilting is Cheaper Than Therapy, a look at the lighter side of quilting. Various decisions we make about quilting will be covered for example: Why would anyone want to be a quilter, it is such a waste of good fabric. Colleen is going to help us make a wearable art jacket using a sweatshirt and her pattern Stripper's Delight. All you need is a set of 2.5" strips, a sweatshirt too large for you, scissors, pins, sewing machine, thread and you are ready. Class is \$45, check payable to LLQG.
