Dear Quilting Friends,

Wow! February got off to a terrific start. A group of enthusiastic volunteers gathered on the 6th and we moved to a more 'workable' storage shed. Sounds like pure work, but we had fun doing it (thanks so much to our own incredible muscle-men helpers: Jeff F, John S, Carl S, Kevin) Linda treated us all to a pizza lunch afterward; thanks, Linda.

The following weekend we had a bumper crowd for Linda Ballard's class. I am sure there will be an impressive display of their work at the March Show-n-Tell event.

The friendship we experience at our monthly meetings isn't confined to 2nd Saturday mornings; we can enjoy it throughout the month with classes, as well as individual road trips with friends (to quilt shops!), etc.

Mini-groups!.....Members are always welcome to share their ideas (and their homes) with others throughout the month. It is fun to share our love of quilting/handwork with others....get creative and form a mini-group with your own format/theme...rotate locations...make up a schedule that works for you. (Works well for "book clubs"; why not your own "sewing club"?)

Whatever you do, keep those needles flying, and share your talents!

Sincerely,

Jane Alameda

June: Jill Schumacher “Creating Heirlooms of Tomorrow”;
Class: Free Motion Quilting

July: Marjan Kluepfel “Trunk Show of Artful Quilts”;

Class: Small Landscape

In this class you will learn to create a small landscape wall quilt (suitable for framing) using the following techniques: free motion machine embroidery, thread painting, bobbin drawing, couching, use of Sulky Solvy to make trees and shrubs, foiling, embellishing with Angelina fibers and Tyvek. Emphasis is on learning the techniques. Small landscape patterns will be provided to practice on.

Aug: Christine Barnes - Magic Fabrics / Special Effects

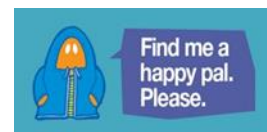

Put simply, magic fabrics give a quilt light and life. Some suggest light coming from below the surface (luminosity) or bouncing across the surface (luster). Others imply that see-through colors overlap to create new color mixtures (transparency). What constitutes a magic fabric? I describe many as “shot with light.” They usually display variations in value—light areas among darker areas, or light-to-dark gradations—and they typically contain warm colors. Batiks, hand-dyes, and hand-painted fabrics have a dappled quality; some commercial fabrics appear to “smolder,” an illusion that lends depth and warmth to even the simplest quilts.

Class: Urban Sunsets

REMEMBER : Remember your checkbooks, fees must be paid at time of sign-up.

Secret Pals—Marion Onstad

Ladies, I will be your 2020 Secret Pal Chairperson. At the March 14th LLOG meeting I will have sign-up forms for you to fill out so we can begin sharing with our Secret Pals in April.

This is such a great way to get to know each other especially with our new members. Looking forward to working with each of you.

2020 Falling Leaves Quilt Show—Linda Morrison

Your Quilt Show Committees are hard at work. We are still in need of chairpersons for the Silent Auction and for overall quilt hanging and take down Chair. (There are already committee members just no leaders.)

The next quilt show committee meeting will be March 16th, 10:00 am at the Umpqua Bank in Lakeport. All are welcome to attend.

Remember it takes all of us to make a great show. Once again, if each of us finishes just two (or more) quilts for the show, what a wonderful show it will be.

Ways & Means (Lake Works) – Gail Coyle, Barbara Haddon

St. Patricks Day, Easter are just around the corner—perhaps you could stitch up a cute item to donate for sale as well.

I have a “HAZ MAT” container to collect our used needles, pins and rotary blades to be recycled. Bring any that you have to the Guild Meeting and put them in the container. I will bring the container to the next several meetings and collect what you have. Questions? Contact Marj Sweeney
