I don't know about you but I thought we had some fun at the February Valentine's themed meeting, and I thought that the meeting went a bit smoother than the January meeting as well. Our speaker was very entertaining and I understand that those in the workshop had a wonderful time as well.

On another note, for those who were not in attendance at the February meeting, future Valley Fire quilts may be delivered to the Relief Center in the 11th Street Plaza, behind the Mendo Lake Credit Union, it is located in the corner old Sears store, next door to the laundromat. They are open Mondays and Wednesdays 10-5pm, if that is not convenient for you, then they may be given to me and I will deliver them to the Relief Center. They do verify ID's to make sure that shoppers are Valley Fire victims. I delivered the 5 new quilts given to me at the February meeting to the center on February 15th, one of which went to a shopper as I started to unload them, and they told me that the three quilts I had dropped off the previous week didn't even make the shelves either!

Also something to think about for the next meeting is that we are starting to form the new By-Laws committee as required by our current by-laws, so now is the time to think about what you would like to see changed in the guild. Notes may be left in the little red mail box at the front desk during the meeting, or emailed to me. All suggestions will be reviewed and discussed by the committee.

Now on to something green. Who was St. Patrick and how did St. Patrick's Day come about? Well it turns out that St. Patrick was actually born in Britain near the end of the fourth century and it is believed that he died on March 17th around 460 A.D. and is believed to be buried in Downpatrick. His father was thought to be a deacon and his Grandfather a priest. At the age of 16, Patrick was taken prisoner by a group of Irish raiders attacking his family's estate. They transported him to Ireland where he spent six years in captivity working as a shepherd. There is controversy on whether he lived in Mount Slemish in County Antrim or County Mayo near Killala, however it is believed that it was during this time that he became a devout Christian. After six years according to his writings, a voice which he believed to be God's spoke to him in a dream, telling him it was time to leave Ireland. To do so, Patrick escaped by walking nearly 200 miles from County Mayo to the Irish Coast.

After arriving in Britain he reported a second revelation telling him to return to Ireland as a missionary. Soon after that he began his religious training, a course of study that lasted more than 15 years. After his ordination as a priest, he was sent to Ireland with the mission to minister to Christians already living in Ireland and to begin to convert the Irish. Familiar with the language and culture, Patrick chose to incorporate traditional ritual into his lessons of Christianity instead of attempting to eradicate native Irish beliefs. For instance, he used bonfires to celebrate Easter since the Irish were used to honoring their gods with fire. He also superimposed a sun, a powerful Irish symbol, onto the Christian cross to create what is now called a Celtic cross, so that veneration of the symbol would seem more natural to the Irish. According to writings in 1726, St. Patrick is said to have used the shamrock, a three-leaved plant, to explain the Holy Trinity to the pagan Irish, where three was a significant number, the Irish at that time having many triple deities. Thus we come to the wearing of the green. St. Patrick's Day was made an official Christian feast day in the early 17th century and in 1903 it became an official public holiday in Ireland, the first public parade was held in Waterford. Now it is a widely celebrated secular holiday.

St. Patrick's Day in the United States, while not a legal holiday, has been celebrated on the North American continent since the late eighteenth century.

In today's diverse world, we may all have a minute amount of Irish somewhere in our heritage, so shall we all wear something green for our March meeting!?!?

February our workshop with Sharon Templeton allowed those present to use a lot of old fabric inventory. Sandra, our Treasurer commented that she has only been quilting for under two years and has been able to do ALL of the classes she signed up for. She especially likes the tips she learns and equipment available. Linda Morrison really liked the instruction book the instructor handed out to all in the students. Cheryl Jones Murray loved the class, and thought the instructor was a great resource with useful tips. Lynn Goos loved all the demos and hopes the instructor can do another class in the future...soon ."

The sign up sheet must have missed a few tables at the last meeting. If you would like to bring a dish to share we would all appreciate it, as we may be a bit short. I know we will have a large salad and crock pot casserole.

The following ladies have signed up to bring a dish to share to the March meeting:

Barbara Dore, Rachel Heher, Suzanne Hoyt, Kerry Lopez, Linda Morrison, Mary Ann Riley.

Block of the Month—Judy Oliver.

WOW! Thank you to all who participated in the February Block of the Month. I am so excited that we had so many blocks, and congratulations to Phyllis Tapia for winning. You definitely have enough 12 1/2" blocks to make a good sized quilt. We will be looking forward to your final project, Phyllis.

The March BOM is called, "Stepping Stones"; a 12 1/2" block made from green and white. I hope you will all give it a try. If you didn't get the written instructions at the meeting, then either call me I will mail you a copy, or check out our website at www.llqg.org. Thanks, Judy

Treasure Chest - Kerry Lopez & Linda Wankel

"Thank you members for your continuing support of the Treasure Chest at the February meeting! We received wonderful donations and we also reached 92% of our monthly goal. Our theme for March will be a wee bit of St. Patrick's Day and a lot of Springtime. Please remember to stop by the Treasure Chest table to support our guild by purchasing raffle tickets. Also, please let us take a gander at your "give away goodies" before you donate them to the Freebie Table; we'd surely appreciate that. Thank you so much, Kerry Lopez and Linda Wankel

BOOK NOTES:

Our LLQG library has new selections of books. We wanted to highlight a few that you may be interested in checking out. Please visit the book shelf and see what's recent. Books should be returned by the next guild meeting.

The Magic Vine Quilt, by Eleanor Burns. This book is based on Magic Vine flower blocks, which was published in the Cleveland Press Newspaper, Cleveland, Ohio, by Florence LaGanke Harris in the 1930's. Florence designed the blocks, and published a weekly column under the title "Nancy Page Quilt Club." It ran for 17 years. Each week Nancy printed one pattern from a quilt and gave her readers a week to complete the block. If you like old time applique patterns, this book is full of them and a good way to use your flower sack, old fashioned flower colors, or 1930's fabric. The 229 page book includes full size patterns.

Designing Patchwork on your computer, by Carol Phillipson. This book comes with a disc. Published in 2007, the recommended operating system is Windows 95, 98 or Me; Windows XP, Windows Vista, Mac OS X. I am running Windows 10, and it worked. Slow. If you don't have another program such as Electric Quilt 6 or 7, this would be good to try for designing.

Free & Easy Circles, by Jan Mullen. This is too cute to pass up. Jan refers to her circles as magic ballz's. The technique is wedges placed onto a circular foundation in a free form manner. The colors are vivid and playful. Would make a great child's quilt. A must see to appreciate. Applique is one style or cover the edges with your choice of trims.

Mystery Quilt—Debbie Vivrette

It's Mystery Quilt time again! The first clue was available at our last meeting, but it is not too late to get in on the fun...This quilt is designed to be used as a wall hanging (36x36). Pick up a new clue each month through April, with the big reveal and voting for viewer's choice at our May meeting.

2016 Quilt Show – Linda Morrison chairman

**Next quilt show committee meeting is March 21, 2016.
Umpqua Bank, 805 11th Street, Lakeport, 10:00 a.m.**

2016 Quilt Show - I am happy to announce that Tami Graeber has agreed to be our Featured Artist this year. Tami grew up here in Lakeport and still has family ties here. She is an art quilter and this year took second in the Best of Show Category at Road to California and has been accepted to the Houston Show.

Our next meeting is March 21st at 10:00 am at Umpqua Bank.

It's never too early to start thinking about the next Quilt Show. We need 200 quilts and help for everyone to make the show a success. Included is a list of the committees and Chairpersons for the show. Look it over and see where you would be willing to help.

I am still looking for someone who would be willing to be the 2017 Quilt Show Chairman and be willing to shadow with the 2016 Show to learn all that is required. This is an important job for the Guild as it is our main fund raiser as well as a chance for the community to see the beautiful quilts that we create. If this is something that you could do, please contact Linda Morrison, 2016 Quilt Show Chairman.

Silent Auction

We are collecting items for the silent auction again this year so as you are doing your spring cleaning think of your guild. If you are not sure that it is appropriate for the silent auction give us a call. Either bring donated items to the meeting or give us a call and we can make arrangements. If it is a large item and you have room to keep it until September it would be great. Just let us know what it is. It is helpful if you can give us an estimated value. Thank you for keeping us in mind.

Kerry Hansing & Linda Morrison, Co-Chairpersons

The 2016 Falling Leaves Quilt Show will be October 1-2.

Quilt show committee meetings are scheduled for

March 21, May 16, June 20, July 18, August 15, September 19, November 14

The quilt show is LLQG's biggest fundraising event that supports our speaker program and the community service projects.
