

Fourth of July Block of the month. Adapted from “quilterscache.com”
 “Go-Along Star #2.” Must be very careful to sew **scant** 1/4 inch
 seams.

Cut the Color 1 $4\frac{7}{8}$ " x $9\frac{3}{4}$ " strip into two $4\frac{7}{8}$ " squares then
 stack the squares and cut them once on the diagonal to make four half
 square triangles.

Now cut the Color 2 $4\frac{1}{2}$ " x $22\frac{1}{2}$ "
 strip into five $4\frac{1}{2}$ " squares... Cut the
 Color 2 $5\frac{1}{4}$ " square in half on both
 diagonals to make four quarter square
 triangles...

Now sew together the Color 1 and Color 3
 quarter square triangles in pairs, pressing
 seams to darker sides. To each of those
 now-pieced triangles add a Color 1 half
 square triangle, pressing towards larger
 triangle. These should measure
 $4\frac{1}{2}$ " ($3\frac{1}{2}$ ")($2\frac{1}{2}$ ") ...

		Now lay out All the units as shown. Sew three horizontal rows, pressing the top and bottom row seams to the outside, and the middle row seam to the center. Join the rows, and the next Fourth of July star is done!
