Well with the County Fair, the Kelseyville Pear Festival, our Falling Leaves Quilt Show, and then PIQF right after that all in the span of two months, and fires mixed in with all of it, I don't know about you but I'm feeling fairly exhausted. We did well at the County Fair in spite of the red spare the air days. We did well at the Kelseyville Pear Festival as well and I can recommend the Farm to Fork dinner they put on Friday night, the food was excellent. We received many compliments on our Falling Leaves Quilt Show, I thought it went fairly smoothly and everything looked great! We will find out exactly how we did, again in spite of the red spare the air days, at the November meeting

I would like to thank the ladies who signed up and came to PIQF to help with white glove and raffle ticket sales in spite of the fires, they are Jane Alameda, Marj Sweeney, Kerry Hansing, Carolyn Dexter, Gretchen Moore, Suzanne Lee, Lela Prather, Kitty Jones and couple of others who just showed up to help out. I couldn't have done it without you. I know how disappointing it was to discover that you could not even escape the smoke in Santa Clara County, where the schools were closed due to Red spare the air days and some light ash was falling. We had a great spot right in the middle of the show where the two halls overlap. Unfortunately due to the spare the air days the show seemed lighter attended then I've ever seen it on Saturday and Sunday. It did make it easier to photograph the quilts which were gorgeous though. Next year I will rethink going with our Opportunity Quilt if we have big fires going on, but it is still definitely worth going for a couple of days just to see it if you get the chance.

A lot of you have asked but I've had no notifications of anyone else's house burning, other then Betsy Brown's in Redwood Valley, from our guild at this time. Unfortunately, I'm sure we all probably know someone who has lost everything from Lake, Napa, Sonoma, and Mendocino Counties and beyond. We can thank the Lord for our homes, families, and friends, and our tireless Firefighters and Police and sometimes neighbors who worked to save people, animals and homes. We need to start thinking about our response as a guild and plan to make some fire quilts for others as they did for us in the past two years. Luckily we have time as it is too early in the process to start collecting them. If they don't have a place to live they can't use them yet, but it gives us time to start to organize our Guild's effort. So think about it, and we can discuss it at the November meeting.

# PROGRAMS

## Saturday NOVEMBER 11th, class Sunday, November 12th:

The November speaker will be Jane Hayworth. Jane is an award winning professional quilter specializing in custom memory quilts made from T-Shirts, neckties, handkerchiefs and other types of clothing collected over the years. In addition to quilts she makes raw edge collage applique wall hangings using her own hand dyed fabrics. She also enjoys the challenge of repurposing materials into useful products like bags. Jane also instructs quilting classes for both kids and adults, encouraging them to go out of their comfort zone and "just create!"

**Transforming Neckties into Quilts. Sunday, November 12<sup>th</sup>** In this class you will learn how to make quilts using men's neckties. Jane will teach you how to simply strip down the ties to get the most out of the tie and the fabric. You will learn how to make string pieced blocks and design a simple quilt. You will also learn a couple of other blocks that are great for showing off those old ties.

Kerry Hansing
